

JSNA indicator search document – transcript

1

00:00:06,496 --> 00:00:27,302

The indicator search document collects information about all 435 indicators in the JSNA. It can help users find the information that they need quickly. To find the document from the Oxfordshire Data Hub homepage, click on the JSNA tab on the green ribbon, then on the following page, click the indicator search document link.

2

00:00:32,555 --> 00:00:41,156

The indicator search document is a PDF and should open in your browser. From here, you can click the magnifying glass tool to begin searching the document.

3

00:00:44,322 --> 00:00:49,441

I'm interested in data about obesity, so I will type obesity into the search box.

4

00:00:52,492 --> 00:00:56,636

There are 14 matches. I can scroll through each of these to see if any of them meet my needs.

5

00:01:06,584 --> 00:01:22,491

This first match is the one that I'm interested in. Using the table, I can see that the indicator can be found in the Living and Ageing Well dashboard in the section Live Well. It's on the Healthy Lifestyle tab in the Adult Weight topic.

6

00:01:23,164 --> 00:01:33,528

Let's open the dashboard and locate this information. Returning to the JSNA from the Oxfordshire Data Hub homepage, the Living and Aging Well dashboard is on the page with the same name.

7

00:01:48,519 --> 00:01:52,455

Find the Live Well section, then click the Healthy Lifestyle button.

8

00:01:59,304 --> 00:02:04,391

Using the Choose a Topic filter, select Adult Weight.

9

00:02:08,205 --> 00:02:14,684

Then, using the Choose an Indicator filter, select Obesity Prevalence in Adults.

10

00:02:19,339 --> 00:02:23,745

The page will then present the data that is associated with this indicator.
